Living Room Collection

Ultimate blend of luxury & comfort

It's about time...

In 1996, Recliners India was founded with a revolutionary idea of creating ultra luxury seating with supreme comfort in India. Having a legacy of 25 years, we are proud to present the brand which stands for: ***Style, Comfort, Quality and Customization***. As the leading manufacturers of motion furniture, we focus on ***Refinement, Relaxation and Responsiveness***. All our products are designed with extreme care, with a view to provide our customers with ultimate relaxation.

Why Recliners India?

With a futuristic approach, ***Recliners India*** strives to understand the changing demands in the market and set new trends in the recliner and luxury furniture industry. We are committed to a journey of life long innovation. Our constant research and developments through studies and customer feedback, helps us in exceeding the expectations of our customers.
